

## Greetings!

Our new belt buckle series started last week. It is not too late to sign up.

We have some great new series in the works for next year. We will have the Petei 12 days of [Texmas](#). Each was stitched by different employee or teacher here at the Chaparral. They are so cute. We have boots that Sally Anne and Carolyn have done for next fall. Hope you see something of interest.

Carolyn's 2008 Superbowl Sunday Frame class is another great canvas. Keep an eye on our website or the shop to see how she stitches it.
